Rochester Grange 86th Annual Fair

"We Endeavor To Instruct, Amuse And Serve You"

By Dionne F. Richmond

"Horse Pulls" once drew large crowds to the Rochester Grange over 50 years ago. Neighbors and families would spend the day at the Annual Fair, admiring the ribbon winning exhibits while waiting for one of the highlights of the day -- the Horse Pulls. Farmers would show off their strongest and most muscular horses who would pull a sled of concrete slabs, using all of their might. Many would cheer for their favorite team of horses, hoping they would come out a winner.

The horses would begin by backing up to the hitch -- once they heard themselves get hitched they immediately began to tug. Concrete would be added to make the race more challenging. "It's really something to watch," said Susan Lafleur of Rochester, this year's secretary for the fair committee. Her husband Herb is the co-chairman of the Fair Committee.

Farmers once exhibited their livestock and produce -- from hens, roosters, pheasants, pigs, bulls, ponies, turkeys, to eggs, pies, jams, fruits, vegetables, and cut flowers to be judged by the registered judging committee. It was a time when farming hand to mouth was more prevalant in the community than today, whether it was providing milk from cows or harvesting fields of corn or growing cranberry bogs. There was plenty of friendly competition among farmers and plenty of fun for all at the fair.

Today, there are too many rules and regulations for animal exhibits and there are fewer farmers. But many other exhibits have stayed the same. While there are still a couple of large farms in Rochester -- Cervelli's and Eastover Farms -- most of the farms around are small backyard gardens of corn, cucumbers, string beans, onions, peppers, pumpkins, squash, tomatoes, and their variations. But that doesn't mean the grange fair has lost its competitive edge. Word of mouth spreads fast, and many local people with gardens enter once they hear their neighbor has.

Judges look for uniformity of specimens, size, texture, and cleanliness of the product as if it would be prepared for the market. The judges do not sample the fruits, vegetables or other food, so that it can be auctioned off later in the evening.

Susan LaFleur knows from experience this past summer hasn't been a terrific "growing season" but this year's exhibit filled out just in time with the usual amount of entries, almost 100. Even people from the same family have entered, hoping to come back later in the day to find a ribbon on their exhibit. Some of those won a joint ribbon, like Ian and Megan MacGregor of Rochester who competed in the junior division.

"An 80 year old man apologized for having the worst garden in years," explained Ms. LaFluer who could sympathize with him. Her tomatoes haven't come up yet either.

Even local children have entered the fair's 4-H and Youth exhibits, even if they only helped out by pulling weeds. To make sure everyone could enter the fair, the grange committee added wildflowers and herbs to the list, in hopes of attracting more people to enter the fair. It seemed to have worked, with five entries in the wildflower division. Cut flowers from roses, cosmos, dahlias, gladiolus, marigolds, petunias, zinnias, violets and others filled the Rochester Grange Hall for all to stop and admire. Besides food exhbits, there are arts

and crafts exhibits, oil paintings, clothing, needlework, and even woven rugs.

When the exhibit is over all of the exhibits are auctioned off, and some will pay up to $20 for a first place apple pie. Ms. Lafluer explained it's all in good fun and for a good cause. The Rochester Grange, one of the only ones left around besides Middleborough's and Fairhaven's, meets on the second Wednesday of the month throughout the year to discuss agriculture issues. There are about 40 members in the Rochester Grange who meet and have lots of fun when they do. The educational and literary programs are frequently open to the public. All activities are to develop leadership, improve community life, and expand opportunities for all people. In the past the grange has donated to the visiting nurse's association and different organizations in town.

As America's first agricultural fraternity, Grange service to agriculture, communities, and the nation is built upon democratic expression and organization. Each member has the opportunity to help formulate community, state, and national policies. Those interested in joining the Rochester Grange should contact Ms. LaFleur at 295-8908.

Mattapoisett Selectmen's Meeting

August 20, 1996

By Dionne F. Richmond

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, August 20 at 7:00 pm by Chairman John DeCosta. Also present were Selectman Michele Bernier and Executive Secretary Carol Adams.

Selectmen met with Harbormaster/Wharf Commissioner Steve Mach to discuss the placement of a community bulletin board near the town map outside of his office on the town wharf. Mr. Mach explained placing the bulletin board on a pole would subject it to vandalism or other damage. Selectmen asked him to discuss the issue with Mr. Seth Mendell and come back with the best location for the bulletin board.

The Board also informed him of several complaints of the odors coming from lobster pots left on the town wharf. Mr. Mach told Selectmen if he sees a lobster pot left on the wharf for an extensive period of time, he calls the owner and to find out how long it will be there. He said it was convenient for the fishermen to keep them on the wharf. Selectman Lambalot said he didn't have a problem with the lobster pots on the wharf, as long as they were empty with the bait taken out of them. Mr. Mach said the bait was normally taken out of the pots, but explained that decaying algae and seaweed causes an odor. Selectmen suggested he ask the owners of the lobster pots to empty and hose off the lobster pots before they leave.

Selectman also asked for an update on the float. Mr. Mach said he has asked two boat yards for estimates but it still waiting to hear from them. He said he will try to find estimates as soon as possible.

The Board also received a request from Hannah Kootz, a young girl who plays the violin on the town wharf occasionally, to raise funds at Shipyard Park on behalf of "Save The Children." Selectman DeCosta said he wanted to talk to her and her sponsors to find out more information.

At 7:30 the Board met with Lt. Edward Pina of the Mattapoisett Police Department who wanted the board's opinion on the "military buy back" policy for members of the police department. He said there are 4 or 5 veterans on the police department who would be affected by this policy. In essence, those years spent in the military would be added to the amount of years

in the department, allowing the officers to retire earlier. Lt. Pina said he has served 4 years and 9 months in the military. Selectman Bernier said she understood this needed a town meeting vote. Chairman DeCosta requested an opinion from town counsel on the matter and added that he supports this policy.

Under Selectmen's discussion items, Selectman Bernier requested the minutes from all town boards be readily accessible to the public in a three ring binder in the Town Hall. Chairman DeCosta said the minutes could be given out after they were approved and noted that some boards needed their minutes to make decisions. Selectman Lambalot suggested sending memos to the departments requesting their minutes. This motion was unanimously supported.

Selectman Bernier also said she has received numerous phone calls from residents who would like to know what was on the Selectmen's agenda earlier than Tuesday evening. She said people would like to become actively involved in the meetings, but had to plan for babysitting or taking time off from work ahead of time. "I said I would raise the issue," she said. She suggested the agenda be completed by 2:00 pm on Monday, even if it was only a

"draft."

Currently, the agenda is completed by the late afternoon on Tuesday, so that any incoming correspondence received that day can be included. Ms. Adams said she didn't have a problem one way or the other but said adding the word "draft" to the agenda could cause some confusion.

Chairman DeCosta said if people wanted to know information ahead of time they could call Ms. Adams at the Selectmen's Office. Resident Frances Cairns said knowing the agenda ahead of time would be a great convenience. Resident Dennis Perry agreed with her, and added that residents would have a chance to evaluate the agenda and decide to attend if they were provided with the information ahead of time.

Selectman Lambalot said he agreed with Chairman DeCosta who noted there have been no problems with the current system. He said he was in favor of an accurate agenda instead of a premature one. The Board asked Ms. Adams to have the agenda completed by 1:00 pm on Tuesday from this point on.

At 8:05 pm the Board met with Plymouth County Sheriff to discuss inmate work program which is expanding because the population at the prison has doubled. Non-violent prisoners will work for about one week on Mattapoisett painting the trim on the police station from 8:30 to 2:30 in mid October. The town has to supply the paint and lunch for the prisoners. The prisoners are currently in a minimum security situation; most of them are serving time for drug and alcohol use.

•George R. Hampson of the Biology Department at Woods Hole Oceanographic submitted a letter relating to his recent visit to the town wharf regarding an offensive odor. He said it was a part of nature which is part of marine geo-chemistry life cycle. This is a natural part of the ecosystem particularly in area such as Mattapoisett Harbor where there are soft sediments with floating algae debris coupled with a limited rate of water exchange with the inner harbor.

Marion Selectmen's Meeting

August 20, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, August 20 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Also present were Selectman Albert E. Winters, Selectman Loretta B. Schaefer, and Secretary Helene Craver.

After signing treasury warrant #8 for the week and approving the minutes of the August 6 meeting, the board unanimously voted to approve a loan request from Town Clerk Debra M. Blanchette for $800,000 — $600,000 for the purchase of land; $150,000 for improvements at Old Landing; and $50,000 for a water distribution system.

At 7:05 pm the board met with Nancy Salois of Continental Cablevision. Ms. Salois came to the board to request their approval of a transfer merger agreement between U.S. West and Continental Cablevision. This agreement would not change the existing contract between Marion and Continental Cablevision, it would only alter the management tier of the cable company. The board informed Ms. Salois that they had signed and approved the request at their last meeting.

At 7:10 pm the board met with Eagle Scout Tim Adams, who recently completed the construction and painting of 12 recycling bins which will be around Marion. Mr. Adams brought a sample bin with him to the meeting — a large wooden encasing which will house recycling barrels.

Mr. Adams said the initial estimate of total cost ($329) was a little higher: about $425 total. To date, Mr. Adams has received $145 in donations, and he is seeking the remaining funds. Donations can be sent to Troop 32, c/o Tim Adams, 251 Wareham Road, Marion, MA 02738. The board also said they would look into additional sources of funding for the project.

Mr. Adams will now work with the DPW to install the bins throughout the Marion village area, public parks, and beaches. "It's nice to see that young people are taking an interest in our community," Selectman Schaefer said. "I want to thank you for the fine job you've done."

monthly meeting/update session. The group discussed the status of their proposed two-year agenda as established in the Growth Management Study report.

According to Planning Board Chairman George T. J. Walker, they have recently awarded a contract bid to Whiteman and Taintor of Hopkinton, MA for professional assistance with prioritizing the GMC recommendations. An initial meeting was already held and they are now interviewing area towns for input.

The group has also completed 7 of the 38 potential zoning by-law changes proposed — 20 of which are under review by the Planning Board, and 14 of which directly relate to the GMC recommendations. The Planning Board is also in the process of applying for $30,000 in state funding as part of a Municipal Incentive Grant for fiscal year 1997.

At 7:30 pm the board met with Dr. Susan Peterson of Ecological Engineering Associates (EEA), Department of Public Works (DPW) Superintendent Rob Zora, and Water/Sewer Foreman Richard Guerzoni to discuss extending the operation of the Marion Solar Aquatics Research facility through the end of 1997.

Dr. Peterson made this request in mid-July, but the board wanted to wait until both Mr. Zora and Mr. Guerzoni could provide their input. Dr. Peterson noted that over the last five years, the facility has operated smoothly as both a model for larger waste treatment plants and for research in the area of septage treatment systems.

Since Dr. Peterson doesn't feel she will have any further need for research data after 1997, and due to the recent opening of a comparable treatment plant in Fairhaven, she doesn't think the Marion will likely continue operation after that time. "Our need to develop the data is no longer there," she said. "And from the academic side, I won't have anyone interested after that time."

Mr. Zora said he had no objections to extending the agreement through the end of 1997, however the state will not

allow him to reduce the number of weekly testings now being conducted at the facility. "We feel, from our point of view, that we should keep things the way they are," he said. "Right now, (the facility) is not costing us any money ... and the weekly testings will enable us to detect problems with our own plant, as well as protect you."

The Marion Solar Aquatics Research facility is a small, dedicated plant which treats trucked-in waste from Marion, Mattapoisett, and Rochester. The septage waste — which is collected from area septic systems — is very concentrated, and very strong and, as such, needs to be treated differently than normal sewage. Using a natural, organic system, the facility uses accruing bacteria and vegetation to purify the septage and release effluent discharge into a nearby lagoon which meets state requirements. The facility treats an estimated 10 percent of total loading at the town's wastewater facility.

With the consent of both Mr. Zora and Mr. Guerzoni, the board unanimously approved extending the operation of the Marion Solar Aquatic Research facility through the end of 1997.

Under incoming correspondence for the week, the board received:

• Notice from Angelo Todesca Corporation of Westwood, MA advising them that work on Point Road commenced on August 12. DPW Superintendent Rob Zora said the road should be all pulverized by Friday (August 23), a base course should be laid down by early next week, and the entire project should be completed by mid-September.

• Request from Marion Conservation Commission Chairman Frank Germano asking the board to approve a Wetland Protection Standard #2 which is used by most communities in an effort to provide standardized forms. The board agreed with Mr. Germano's recommendation.

• Request from Margie Baldwin to name a tree which was recently donated as part of the new plantings at the Post Office in memory of Elizabeth Cumming. The family members who donated the tree wanted to have a plaque placed with the tree in her memory. Selectman Schaefer said she didn't object to this practice, however she felt there should be a standard size/type of plaque used so that everything is uniform.

• Notification from the Mass Highway Department that $300 million in Chapter 90 funds for highway repairs has recently

REDUCING TAX ON SALE PROFIT

If you are selling your home there are ways to reduce the federal tax from any profit you make. If you buy or build a new residence within a period of two years before or after selling your home,the entire gain may be deferred if the purchase price of the new residence exceeds the adjusted sale price of the old residence (gross sale price minus the costs linked to sell the house - like the broker's commission.)

Also a taxpayer at least 55 years old is eligible for a once-in-a-lifetime exclusion of up to $125,000 of gain on property used as principal residence for at least three years of the preceding five year period.

Another method of reducing the federal tax is to establish a higher tax basis for the house being sold. The tax basis is the original cost plus capital improvements. Examples of capital improvements are added rooms, a remodeled kitchen,a new roof, central air conditioning, or a new swimming pool. Keep receipts for all of these improvements.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

been approved by Governor William Weld. Marion has been earmarked for $216,948 of this total amount — which will be disbursed in two sums, beginning with $108,474 for fiscal year 1996-1997.

• Notice from the Marion Police Brotherhood that contract between the Town of Marion and the Police Brotherhood expired on July 1, 1996. Although the Police Brotherhood has been prepared to go forward with contract negotiations, there have been delays along the way. The Brotherhood requested the board to proceed as quickly as possible. Selectman Schaefer noted that the board would take this matter under advisement, as they are not legally able to discuss pending contract negotiations. Chairman Dickerson abstained from this discussion.

• Follow-up request from Connie Whalen regarding an opinion from Town Counsel on the legal concept of "occupancy" in the town by-laws. Ms. Whalen is concerned about her neighbor on South Street as not occupying the address in a "traditional way." The board agreed this was a matter which needed to be considered under the proposed zoning by-law changes.

• Letter from Peter W. Koczera, Acushnet Selectman and Chairman of the Acushnet Power Feasibility Study Committee, regarding a recent newspaper article and his plans for the organization of a seven-town group to purchase joint electric utility service. According to Mr. Koczera, an article which appeared in the August 8 edition of *The Standard-Times* was incorrect in inviting area towns to participate in a September 4 meeting. He is, however, seeking input from the towns on the possibility of forming a joint utility venture.

Selectman Schaefer noted that Marion would certainly have nothing to lose by participating in this venture, and she suggested they send a letter to Mr. Koczera offering their intent to participate and support the project.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:30 pm.

Animal Advice

Jay Gould, DVM

EAR INFECTIONS

My dog has dark chocolate colored dirt in his ears and he is always shaking his head. What causes this?

Your dog probably has a yeast infection in his ears. A dark waxy discharge associated with a musky odor is characteristic.

Yeast infections are common in dogs that get water in their ears and dogs with allergies. Treating ears with a 50/50 mixture of vinegar and water makes an acidic environment that may resolve mild cases. If the ears look red and are painful, see your veterinarian.

YMCA Benefit Golf Tournament

• The second annual **YMCA Charity Golf Tournament** will be held on Thursday, September 26 at the Ballymeade Country Club in North Falmouth, MA. Ballymeade's championship 18-hole golf course has recently been redesigned by **Jim Fazio** and **Chi Chi Rodriguez** to provide a challenging and memorable round of golf for all levels of play.

Chairperson of the event is **Deborah Hynes** of New Bedford. Other committee members include **Patricia Janiak, Loren Milhench, Michael Rutkowski, Eivind Strand, Gary Schuyler**, and **Greg Gouveia**.

Proceeds from the tournament will provide YMCA programs for financially-disadvantaged youth and families, including YMCA's popular **Camp Massasoit in Mattapoisett**. Entry forms and sponsorship information are available by calling the YMCA at 997-0734. The entry fee is $150 per player and includes golf cart, greens fees, and an elaborate dinner with numerous prizes. The tournament is open to both men and women.

Letters to the Editor

To The Editor:

On September 19th, 1996 the Mattapoisett Board of Selectmen is hosting a Conflict of Interest Seminar to be put on by the State Ethics Commission. There will be two seminars, one at 2:00 pm and the other at 7:00 pm in an attempt to accommodate as many people as possible.

The seminar is free. Location is still undetermined and a call to the town hall if you plan to attend would be helpful. I understand that "walk

ins" will be welcome.

These seminars are specifically designed for the education of town employees, elected and appointed officials. In my opinion, attendance should be mandatory.

This is an important issue that tends to be overlooked in our hectic lives. The seminar will offer each an opportunity to re-evaluate where they stand and if there are conflicts, how they can be addressed. I believe that this will be time well spent and I strongly urge Selectmen to make attendance mandatory.

Yours Truly,
Frances Cairns

Special programs included a visit from the Mattapoisett Fire Department who presented a Fire Safety program for preschoolers. Clayton Hagy and Joan Anderson, members of the Coast Guard Auxiliary, gave a tour of Ned's Point Lighthouse. "Science isn't always pretty," presented by Keith Johnson and the Fantasy Puppets was supported, in part, by the Mattapoisett Cultural Council, a local agency, and the Massachusetts Cultural Council, a state agency.

Many thanks to the local businesses whose support helped make the summer program such a great success: The Toy Box, MacDonald's of Fairhaven, Shaw's Supermarket of Fairhaven, The Shipyard Galley, and Super Sports of Carver.

Old Hammondtown School

A reminder to the new fourth grade parents that any new parents and students are cordially invited to tour the Old Hammondtown School anytime between 9:00 am and noon on Wednesday, August 28th.

Rushlights To Railroad Lamps

The current exhibit at the Mattapoisett Museum and Carriage House has such unique items as a "rushlight" from the 18th century (the rushes coming from cat-tails), a large brass lamp that hung in a railroad passenger car circa 1860, a beautiful brass lantern with an etched glass globe that was a "skater's lamp" and more. This very special exhibit will continue through Saturday, August 31st. The museum is open from Tuesday through Saturday, 1:00 pm to 4:30 pm. Admission is $2 for adults and 50 cents for children.

A Sunday Stroll Around Town

On Sunday afternoon August 25th at 2:00 pm Bette Roberts, Curator of the Museum and Carriage House, will lead a historic walking tour around the village. The tour will begin at the Museum, 5 Church Street and is limited to 25 people. To reserve your

Joseph Plumb Memorial Library

The Plumb Library's pre-school story hour will begin on Wednesday, September 11th. This series will run for eight weeks, ending the last week of October. Rochester children ages two and a half through five are invited to join us for stories, crafts, songs and more. This is a great opportunity for young children to interact with others and to enjoy group activities. Anyone interested in participating in the series may register anytime after August 20th. To register, call the library at 763-8600 or stop by during regular library hours.

The library will be open an additional afternoon and evening starting in September. The library will now be open on Tuesdays from 3:00 pm to 8:00 pm; Wednesdays from 10:00 am until 5:00 pm; Thursdays from 3:00 pm to 8:00 pm and Saturdays from 10:00 am until 2:00 pm. The library will be closed on Fridays, Sundays and major holidays. Library card covers and magnets with the new hours are available at the library.

will be open for business again this year and will be staffed by volunteer Homework coaches starting in October. This year there will be another PC for use by students and researchers. Coming soon will be access to an online periodical index and database of full-text magazine articles. Public Internet access is also coming! The library is looking for a few interested people who would be willing to help out at the Homework and Research Center this year. Not only do we need people interested in assisting students with assignments, but we also need a few volunteers who would like to assist people who are unfamiliar with computers and the Internet. If you'd like to help out contact Lucy Van Petten at 763-8600.

Maconchu Club Bowling League

All voices are welcome (soprano, alto, tenor, and bass), and tenors are especially encouraged to sing with the chorus this year. As always, everyone who has sung with the chorus in past years will be welcomed back.

Peter West, Director of the chorus, requests that both returning members and new members who, for good reason, can not make the first rehearsal, call him at (758-4553) or Chorus President, Lynn Danse (748-0289), to let them know if they intend to sing this year.

The Choral Society's 32nd annual Christmas Concert will be on Sunday, December 8th and will feature two major pieces: the "Gloria" from Bach's Christmas Cantata and Haydn's Te Deum.

Other special Christmas music will include: "Of The Father's Love Begotten," arranged by Crosier. This will be sung in procession at the beginning of the second half of the concert and will be accompanied by handbells.

Victoria's "O Magnum Mysterium," "Tomorrow Will Be My Dancing Day" (arr. Gardner), Cornelius' "The Three Kings" (solo by Harold Bost), and Leroy Anderson's ever-popular "Sleighride" are also on the program.

Now in its 32nd season, the 90-member

Sippican Choral Society is under the direction of Peter West, with Corinne Peck as accompanist. The group performs at least two concerts every year, singing the works of the world's great composers, as well as works from the musical theater.

Last December, for instance, the chorus performed Vivaldi's "Gloria" and this past Spring the chorus showed its versatality by performing classical, folk, and Broadway medleys. The chorus also gave one performance during the summer with the Marion Town Band. For further information about singing with the Sippican Choral Society this year, please call Lynn Danse at 748-0289 or Peter McDonald at 748-0358, both in Marion.

Marine From Mattapoisett Makes News

Cpl. Dennis Millette, 22 of Mattapoisett was one of 80 Marines who volunteered to search for a lost child from Mission Viejo, Ca. Hundreds of searchers were unable to find this lost child, but it took a marine from good old Mattapoisett to locate him, although it was too late to save him. He was recently quoted in the Orange California Register, and said it was the kind of thing they are trained for that they can do for the community.

Still awaiting that special call are: three spayed and declawed adults all large and beautiful; one all white, one calico and one white tiger. There's also a long hair tortoiseshell and two short hair tigers; a pair of one year old males, one all white with green and blue eyes, the other is an all black bobtail. We also want to add an all black bobtail female.

To mention just a few of our kittens that will be adoptable on Sunday: two all black short hair males, two all white short hair (one female, one male), one tiny tiger female and one all smokey gray short hair female.

We are also desperately searching for a barn type home for 2-5 months old tiger kittens.

In the lost and found department, a large gray and white neutered male named "Winny" is lost from Park Street in Mattapoisett. There is also a brown and gold tiger female lost from Homestead Court who is 15 years old and has never been out.

20 YEARS DANCE EXPERIENCE & A CERTIFIED TEACHER

Shelton, Costner sink a hole in one with witty *Tin Cup*

BY ROB GONSALVES

• ***Tin Cup*. Starring Kevin Costner and Rene Russo. Directed by Ron Shelton. Running time: 134 minutes. MPAA rating: R. At Cinema 140 in New Bedford.**

Some movie genres are lucky enough to have expert film makers working their side of the street. Gangster films have Martin Scorsese, for example, and sports movies have Ron Shelton.

Of course, Scorsese's films aren't just about gangsters, and Shelton's movies — *Bull Durham, White Men Can't Jump, Cobb,* and the new *Tin Cup* — are never just about the game. They're gentle comedies of masculine mythology (except for *Cobb,* which wasn't gentle). Shelton's heroes are boys who never grew up.

The boy in *Tin Cup* is Roy McAvoy (Kevin Costner), a legendary golfer — legendary, that is, for his lack of discipline and wasted potential. Roy, who can't resist going for risky long drives, had the big time in his grasp and blew it; now he gives lessons at his run-down Texas range and takes good-natured abuse from his caddy Romeo (Cheech Marin, continuing his run of hilarious comeback performances).

Roy is fairly content with his lot until two figures disrupt his stagnation, like a cartoon devil-angel duo sitting on his shoulders. The devil is David Simms (Don Johnson), a smug pro who made the bigs by "laying up" (going for safe shots) and who relishes the chance to offer Roy a job as his caddy.

The angel is Dr. Molly Griswold (Rene Russo), a psychologist who comes to Roy for lessons and ends up learning a good deal more.

Shelton, who wrote the script with John Norville, sets up a parallel romance/competition: Molly, as it turns out, is dating Simms, and to win her heart, Roy decides he must beat Simms at the U.S. Open. But winning isn't all Shelton has in mind. He's more interested in what Jay McInerney called "the shabby nobility of failing" — that is, failing on one's own terms rather than winning by playing it safe.

Working again with the director who guided his best performance (in *Bull Durham),* Kevin Costner proves what a lot of us have known about him all along. Put him in a mega-budget action flick as a Mel Gibson clone, and he looks groggy and irritable. Give him a fleshed-out character whose sense of humor is as strong as his code of ethics, and Costner relaxes and never puts a foot wrong. And we can now feel his pleasure at delivering Shelton's pitch-perfect dialogue.

At some point, *Tin Cup* divides our responses. When the inevitable final round approaches, with Roy facing off against Simms, we want the basic movie satisfaction of Roy trouncing his insufferable rival. Yet Molly (another witty turn by Russo), like all Shelton women, keeps things in perspective. It's only a game. Will Roy be false to himself in order to win? Molly's final advice during the game sets Roy straight.

The movie, like Shelton's others, is an illustration of the old maxim: "It's not whether you win or lose, it's how you play the game." For Shelton, and for Roy, that wisdom extends past golf. Athletes and fans love to position their sport as a metaphor for life (and vice versa).

Shelton does something similar — he uses sports as an excuse for life lessons. But the lessons go down with beautiful ease and charm. In its low-key, scruffy way, *Tin Cup* is Hollywood's class act of the summer.

This Week's Horoscope

by Linda Black

Weekly Tip: Find ways to take care of others. The moon will be in Pisces, the sign of the nurse.

Aries (March 21-April 19). Meetings and team sports go pretty well, but be careful. Things won't turn out the way you expected. Focus your energy on a task and complete it.

Taurus (April 20-May 20). You're strong, and your common sense is right on target. Don't fall for an impractical scheme. Don't let your boss fall for one, either.

Gemini (May 21-June 21). Make time for creative writing — you'll come up with something wonderfully bizarre. Pay close attention to keep up with changes.

Cancer (June 22-July 22). You're sharp as a tack. Study something that will make you rich. Gain computer skills. Travel or study a foreign language.

Leo (July 23-Aug. 22). Things won't go as planned, so stay flexible. Team up with a computer tekkie to be more effective. Money's the problem. You may go into debt to get what you need.

Virgo (Aug. 23-Sept. 22). There's too much work. Stick with it; you'll have to think of a way to delegate. You and your partner will have a great time.

Libra (Sept. 23-Oct. 23). Don't struggle with a tough problem — get a person who knows to help you. Drudge through your chores without complaining.

Scorpio (Oct. 24-Nov. 21). Watch out for spills and breakage at home. If you're playing with a computer, make sure you back everything up.

Sagittarius (Nov. 22-Dec. 21). Study science and technology — it'll make more sense. Make time for a hot date and don't plan anything else.

Capricorn (Dec. 22-Jan. 19). Don't buy computers or machinery. Wait. That'll give you more time to research what's on the market.

Aquarius (Jan. 20-Feb. 18). You're hampered by a lack of funds. Spend on repairs instead of buying new. A friend in need drains your resources.

Pisces (Feb. 19-March 20). A good partner's the key to your success. Call for help if you get into a jam with bureaucratic paperwork.

If You're Having a Birthday This Week: Work hard and you'll gain skills you'll use for years. A creative partner provides the spark. You be the organizational genius, and

NOVENA TO SAINT JUDE
Oh Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you, I have recourse from the depths of my heart and humbly beg to whom God has given such power to come to my assistance. Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. Say 3 Our Fathers, 3 Hail Mary's, and 3 Glories. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This must be said for nine consecutive days. This Novena has never know to fail. D.G.

LEGAL NOTICES

TOWN OF MATTAPOISETT
MATTAPOISETT PLANNING BOARD
NOTICE OF PUBLIC HEARING

Pursuant to Massachusetts General Laws chapter 40A, section 11, and section III.H.S of the Mattapoisett Zoning By-Law, the Mattapoisett Planning Board will hold a public hearing on Tuesday, September 3, 1996 at 7:45 P.M. in the Planning Board Office, second floor, Mattapoisett Town Hall, 16 Main Street, Mattapoisett on the application of Brandt Island Corporation to AMEND A SPECIAL PERMIT granted under section III.H. of the Mattapoisett Zoning By-Law (Cluster Housing) on June 18, 1996. The property that is the subject of this application is a parcel of vacant land on the west side of Brandt Island Road containing approximately 207 acres, and is shown as Lot 9 on Assessors Map 13, and Lot 2 on Assessors Map 14. The special permit authorized construction of 147 single family houses on lots that will be smaller in area, frontage and yard requirements that is otherwise permitted under the Zoning By-Law. The applicant seeks to amend the special permit to add new conditions, in accordance with a settlement agreement entered into with certain Mattapoisett residents. The conditions generally require the applicant to provide certain funding and undertake certain studies relating to the provision of off site water and sewer facilities and services in the Brandt Beach area.

The special permit and the application for amendment are on file with the Town Clerk Office at Mattapoisett Town Hall, and may be inspected upon request during regular business hours.

The three orators (one of whom is of Native American ancestry) represent the Native Indigenous voice, the European Immigrant voice and the Narrator. They will use excerpts from journals of pre-Pilgrim English and French explorers to North America to describe the people and the nature they observed in the land called Norumbega by its inhabitants. Quotations from 17th Century English business, religious and political sources relate the many influences that motivated the Pilgrims to settle on that same land.

Following the oration, the audience is encouraged to participate in a discussion about the

Walking Tour

The Westport Historical Society will sponsor a walking tour of the head of Westport on Saturday, September 7th. Participants will meet for a continental breakfast at 8:30 am at the Bell Schoolhouse, 25 Drift Road. Following a 45 minute slide show of turn-of-the-century Head of Westport views, an approximately 1.7 mile walk will be led by Lincoln S. Tripp. The tour fee is $4 for members and $5 for non-members. Pre-registration is required. Call the society office at 636-6011.

pm on the outdoor concert green. The group features musicians from the Boston Pops orchestra playing unique interpretations of pops favorites.

Fred Buda, Boston Pops percussionist and Bob Winter, Boston Pops Pianist, will present an afternoon of jazz. The quartet, which also features Mike Monaghan on saxophone, clarinet and flute, and Mark Henry on bass, will play music that has become popular with audiences everywhere. Covering a complete range of material from standards to the classics, the Jazz Pops Ensemble puts on an outstanding concert. This excellent quartet is returning for its ninth performance at Heritage Plantation.

The concert has been fully funded by a generous grant from Plymouth Savings Bank. Please bring a lawn chair or blanket to this afternoon event. The Carousel Cafe is available for lunch, before or after the concert. Snacks and beverages are on sale

WE ALL MAKE MISTAKES

Fortunately, some can be corrected.

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake.

Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
